

FOREWORD

Volume 64 is the second of the two special issues of the *Bulletin* (after volume 63) commemorating the Society's fiftieth anniversary. The papers in this volume also represent a diverse range of topics that include petroleum geology, stratigraphy, sedimentology, quaternary geology, and two historical notes relating to the geology of Sabah during the pre-independence era. On behalf of the Society, I wish to extend my utmost appreciation to all the authors who contributed to this volume.

The Society would also like to thank the following individuals for reviewing the papers in this *Bulletin*: Andrew Pepper, Chow Weng Sum, Denis Tan, Felix Tongkul, Franz L. Kessler, Hamdan Jol, Howard D. Johnson, Ian Metcalfe, Kamal Roslan Mohamed, Kamaludin Hassan, Mustaffa Kamal Shuib, Ng Chak Ngoon, Nur Iskandar Taib, Peter Parham, S. Paramanathan, Tanot Unjah and Wan Nordin Wan Daud.

Last but not least, I would like to congratulate and thank the editorial team for this publication, especially Guest Editor, Dr. Lee Chai Peng, and *Bulletin* Editor, Prof. Wan Hasiah Abdullah, as well as members of the secretariat, Dr Ng Tham Fatt, Anna Lee and Wan Aida Wan Zahari.
